NOTICE OF RACE

The Organising Authority is Queen Mary Sailing Club (QMSC).

The notation '[NP]' in a rule of the notice of race (NoR) means that a boat may not protest another boat for breaking that rule. This changes RRS 60.1.

The notation "[DP]" in a rule means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification in accordance with RRS 64.

1.0 RULES

1.1 The event is governed by the rules as defined in *The Racing Rules of Sailing 2025 - 2028*.

1.2 The bye-laws of QMSC, available at <https://www.queenmary.org.uk/club/club-documents>, apply. **NOTE:** Dogs (with the exception of guide dogs) are not permitted on the Club's land.

1.3 The following regulations change RRS 60.5(b) and A5.1:

- i. Bye-law 14 – Parking: Boats associated with cars parked on the upper (clubhouse) level during a race (with the exception of cars displaying a valid disabled parking permit) will be disqualified from that race without a hearing;
- ii. A full body wetsuit or drysuit appropriate to the conditions shall be worn by all competitors at all times when afloat. Failure to comply with this regulation will result in disqualification without a hearing;
- iii. RRS 40.1 is changed to read as follows: "All persons shall at all times when afloat, on the pontoons or on the sloping banks of the reservoir wear a personal flotation device appropriate to their weight. A wetsuit or drysuit does not constitute a personal flotation device". Failure to comply with RRS 40.1 as changed will result in disqualification without a hearing.

1.4 The event is a single pursuit race at which the following rule changes apply:

Boats are not required to be afloat and off moorings at the preparatory signal. This changes Rule 45;

Classes start according to start numbers allocated to each class. This changes Rule 26. Provisional start numbers are shown in Appendix 1.

1.5 For the purposes of Thames A Rater class rule E4(a), Queen Mary Reservoir is not 'open water' and consequently spinnakers shall not be carried.

8.0 RISK STATEMENT

RRS 3 states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone".

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew, their boat and other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;

- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any competitors' briefing held for the event.

Inspections

The fact that race officials may conduct inspections of a boat does not reduce the responsibilities of each competitor set out in this Notice of Race.
