OXFORD SAILING CLUB

Oxford Blue

Saturday 18 February

Welcome to the fourth Oxford Blue. We hope you enjoy your racing today, and we ask that you observe the following in order to help us run the event as smoothly as possible.

- Please follow the directions of the Marshalls, and park just behind the furthest white line, as close to the right as possible, unless you have a rooftop dinghy, in which case park as close to the left as possible. Motorised vehicles are not allowed up the ramp; exceptions may be made for keel boats, and sailors with limited mobility.
- If you would like a hot meal after racing, please choose from the menu, and purchase a £5 voucher at registration.
- A trolley tag and cable ties will be provided at registration. Please write your sail number and class prominently on both sides of the tag (an example will be available), and attach to your trolley.
- Space in the changing rooms is extremely limited, so please remove all kit and kit bags from the changing rooms, and store them in the kit bag store which will be pointed out to you at registration. If *you* aren't in the changing room, your belongings shouldn't be there either.
- Competitor briefing will be at 1000.
