- 12.1.6. If there is a general recall, the recalled start will be started immediately at the end of the start sequence. The last scheduled start will be the warning signal of the recalled class. If the recalled class is the last class to start, the warning signal for a new start shall be made 1 minute after the first substitute is removed (one sound signal). **This changes RRS 29.2.**
- 12.2. Sunday 21st November: The start line will be between a staff displaying an orange flag or shape on the race committee boat and a spherical shaped buoy with an orange flag.
- 12.3. The pursuit race shall be started by using RRS rule 26 to signify datum except as amended below:
- 12.3.1. The race is a pursuit race with classes starting according to start times allocated to each class which indicate the minutes from datum that they start – the start time indicates that the class starts that many minutes after datum. The start numbers allocated to classes will be displayed on the official notice board.
- 12.3.2. A sound signal will be made for each allocated start time when the clock display on the Committee Boat reaches that start time. The starting signal for each class shall be that sound signal.

- 12.3.4. A display of the start signals and times may play on the TV screen in the Wet Bar (downstairs) but should only be treated as advisory.
This changes RRS 26.

13. RECALLS & BLACK FLAG

- 13.1. It is the intention that all races will be started using RRS 30.4 (Black flag) and therefore no individual recalls will take place. Should flag P be used instead of the black flag then individual recalls will be signalled in accordance with RRS rule 29.1 except that flag X will be flown for no longer than 30 seconds. **This changes RRS 29.1.**
- 13.2. The attention of competitors is drawn to RRS 30.4 (Black flag). No signal will be made that there are boats contravening RRS 30.4 (Black flag) other than displaying the sail number (last 4 digits) on a board at the stern of the main committee boat where possible. Patrol boats may inform such competitors subject to prevailing conditions at the time but the onus remains with the competitor to retire immediately from that race and not impede boats which have started correctly.
- 13.3. Competitors are reminded that RRS 30.4 states that “no part of a boat's hull shall be in the triangle formed by the ends of the starting line and the first mark during the last minute before her starting signal.” This applies to both the average lap and pursuit race starts where the black flag is flown at the preparatory signal.
- 13.4. General recalls will be signalled by the flying of “first substitute” and two sound signals. The “first substitute” will remain flying for no more than 1 minute. **This changes RRS 29.2.**

14. CHANGES TO THE NEXT LEG OF THE COURSE

- 14.1. The position of marks may be changed during a race in the event of a wind change. Such change will be made only if no boat is sailing towards the mark on that leg of the course. Flag C will not normally be flown to indicate any change, nor will “+” or “-” signs be displayed. **This changes RRS 33.**

15. THE FINISH

- 15.1. Saturday 20th November: The finish line will be between a staff displaying an orange flag or shape on the race committee boat, and a staff displaying an orange flag or shape on the line boat.
- 15.1.2. Shortly before the finish, Flag S will be displayed on the main committee boat accompanied by two sound signals. This is the “about to finish” signal. All boats will finish the race when they next pass through the finish line at the end of their current lap, regardless of the number of laps completed. Their finishing position shall be determined on an average lap basis. (Boats with a Great Lakes Handicap of 1244 or higher may be finished as they cross the finishing line before other boats without displaying an orange flag and Flag S if, in the opinion of the Race Officer, requiring them complete another lap will significantly delay the schedule of races.)
- 15.2. Sunday 21st November: The finish line will be either a rolling line of two RIBs displaying blue flags and / or between committee boats displaying a blue flag and an adjacent mark of the course and / or blue flags on the shore and a mark of the course.
- 15.2.1. The finish time will be 120 minutes after datum and will be signalled by two loud sound signals from one of the rolling RIBs and the finish boats on station positioned near rounding marks.
- 15.2.2. In order to be awarded a finishing place, boats must cross a finish line after the finish time.
- 15.2.3. After the finish time, boats shall only sail through one finish line. If this is unavoidable, they must inform the second ‘finish line’ that they had already finished.
- 15.2.4. At each finish, boats are advised to take note of the class and boat number of the boats immediately in front of and behind them in case of any queries regarding to finishing positions.

- 18.1. The Protest time limit will be 30 minutes after the last boat finishes the last race of the day or ‘no more racing today’ is signalled by the race committee, whichever is later.
- 18.2. The protest time will be displayed on the official notice board.
- 18.3. Hearing request forms are submitted to the race office.

19. SCORING

- 19.1. One race shall constitute an event.
- 19.2. When 2 or fewer average lap races have been completed, a boat’s series score will be the total of her race scores.
- 19.3. When 3 or more average lap races have been completed, a boat’s series score will be the total of her race scores excluding her worst average lap score.
- 19.4. When run, the pursuit race result will always be included in a boat’s series score.

20. CHALLENGING FINISH POSITION

- 20.1. Challenges to a boat’s finishing position in a race, as recorded in the results, should be made on a Results Query Form, available on the official noticeboard or from the race office. - 21.3. Failure to return the tracker within the protest time may also result in a scoring penalty without a hearing of 10% on the last race of the day sailed calculated as stated in RRS 44.3(c). **This changes RRS 63.1 and A5.**
- 22. TRASH DISPOSAL**
 - 22.1. Trash must not be placed on support vessels and must be carried by competitors until returning to shore.
- 23. SHALLOWS**
 - 23.1. Competitors are advised to check the map under the balcony for notification of shallows.
