12. **Risk Statement:** Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone". Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
  - a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
  - b. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
  - c. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
  - d. Their boat is in good order, equipped to sail in the event and they are fit to participate;
  - e. The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
  - f. The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
13. **Insurance:** Competitors are required to hold third party insurance for racing of at least £2,000,000.
14. **Safety Regulations:** Life-jackets or other adequate personal buoyancy shall be worn by all competitors at all times whilst afloat. Wet suits and dry suits must be worn but are not adequate personal buoyancy.
15. **Other Information:**

**Before you come to OSC:** Please enter on the Sailjuice site the contact details of attendees are available if needed for Covid contact tracing.

**Arriving At Farmoor Reservoir (Gate 3):**

- o For **biosecurity** if you are coming from fresh water, **please wash your boat down** using the pressure washers on the left-hand side of the car park. Please repeat this when you leave to prevent invasive species travelling to your home water (this is a Thames Water request).
- o **Unloading your boat:** As large numbers are expected and space at reservoir level is very limited, please pull your boat on its trolley manually up the ramp from the car park. Use the road that runs at the back of the clubhouse. Cars and trailers should be returned to the main car park. Roadways and footpaths around the reservoir must be kept clear at all times to allow unrestricted movement around the site.
- o **Boats Arriving Friday Evening:** Trailers may be left in the car park overnight at the owner's risk, but no cars, camping or campervans (but <https://www.valleyfarmcampsite.com/> is round the corner). Gates will be locked at dusk and open at 08:00.

**On site/ Covid**

- o **The Changing Rooms** are open. Please leave fans on to allow maximum air-changes.
- o **The Waterside Café** is open all day for hot food and drinks, though maximum numbers may be limited. Doors will be kept open for ventilation as much as possible. The bar will be open to members and event competitors after the race.
- o **Hand sanitiser** will be available at entrances. Please observe social distancing and use the space around the reservoir if you are watching.
- o OSC reserves the right to tailor access rules in the light of the Covid infection rates prevailing at the time.
- o **Dogs** are permitted **only** at car park level – do not bring them up the ramp to the reservoir. There is a long countryside walk around the reservoir perimeter starting in the SE corner.
- o The use of **drones** is prohibited at the reservoir.
