Between the Flag Mast of the Committee Boat displaying a blue flag and a nearby finishing mark or second committee boat, (which may not be a mark of the course except when finishing)

11.2 When going downwind, boats must not go through the gate that marks the end of each lap, or between the committee boat and the finishing mark

11.3 Shortening Course

Races may be shortened at the discretion of the Race Officer as per Rule 32

NOTE: IN ACCORDANCE WITH THE DEFINITIONS, the direction of crossing the finishing line must be from the previous mark of the course

Boats having finished MUST clear the line round its ends and NOT interfere with boats still racing.

12.0 AVERAGE LAP TIMES

Average lap times will be used for handicap fleets. There will be no redress should this lead to a reversal of race positions as a consequence of boat(s) doing an extra lap or for any other reason.

13.0 TIME LIMITS

At the discretion of the race committee, any boat failing to cross the finish line within 45 minutes of the first boat to finish in the fleet in which they are racing may be deemed to have retired.

18.0 HANDICAPPING

Corrected times will be calculated in accordance with the current RYA Portsmouth Yardstick [PY] or [PN] scheme. Yardstick numbers will be the Great Lakes Numbers published on the Sailjuice Winter series website and at Greatlakes.org. Boats without a GLN or PY/PN may be accepted for racing, BUT will be allocated a Yardstick considered suitable by the Race Committee with no right of appeal by the boat or its crew.

19.0 IDENTIFICATION

19.1 Class Insignia and Sail numbers

All boats must sail under their own class insignia and number as used to enter. Permission to do otherwise must be sought from, and granted by, the Race Committee PRIOR to racing or

disqualification may result.

19.2 Hull Identification

Entry numbers will be allocated to all boats. Numbered stickers corresponding to the entry number will be provided and must be affixed to the boats hull on both sides of the bow (immediately below deck line, approximately 100 mm aft of bow).

No redress shall be given if a boats time is not recorded due to non-compliance with this instruction. Non-compliance with this instruction is not grounds for a protest except by the Race Committee.

19.3 Changes to declared crews must only be made with the consent of the race officer, which shall not be unduly withheld.

20.0 GPS TRACKING UNIT: Competitors will be required to carry a GPS tracking unit onboard as supplied by the Organising Authority. The tracker should be collected from the registration area before going afloat and returned there after the day's racing within the protest time. Failure to collect and carry a tracker will result in no Great British Sailing Challenge result. It may also result in a scoring penalty without a hearing of 10% on the first race of the day sailed - calculated as stated in RRS 44.3(c). This changes RRS 63.1 and A5. Failure to return the tracker within the protest time may also result in a scoring penalty without a hearing of 10% on the last race of the day sailed - calculated as stated in RRS 44.3(c). This changes RRS 63.1 and A5.
